Hello Hannah,

It appears that for some reason we are not showing up on the Track4la system and per Eugene the certificate doesn't match.

Can you please reenter the information and send me a confirmation that I can then forward to the City Clerk's office.

Thank you

Moises,

That certificate number does not match the attached document. The attached document is not on track4la. Until it is we cannot process any invoices.

Eugene,

I spoke with our insurance broker and she confirmed that the information was entered into track4la system on February 9th, 2018, Certificate Approval (CA) #131679.

Attached is a pdf of the confirmation generated by the system.

Can you double check to see if there is a glitch in the system that may be causing LANI incorrectly display as noncompliant with the insurance requirement?

Thanks,

Moises Gomez

Moises,

Our records indicate that the BID's directors and officers insurance expired on 10/1/17 and we do not have a certificate on track4la that shows otherwise.

Hi Eugene:

Darin is no longer with LANI. Moises Gomez is his replacement and is copied here. He will be able to work with our insurance broker to provide the updated proof of insurance.

Thank you!
